# MUSEUM OCEANOGRAPHIC

MONACO

# Institute oceanographic

With the Oceanographic Museum, learn the history of the oceans, understand and protect our seabed. You can even go one-on-one with a shark or look into the eyes of a sea turtle. Get close to the most majestic marine species. Enjoy a total immersion in the marine world for two hours in a fun, interactive and educational way.

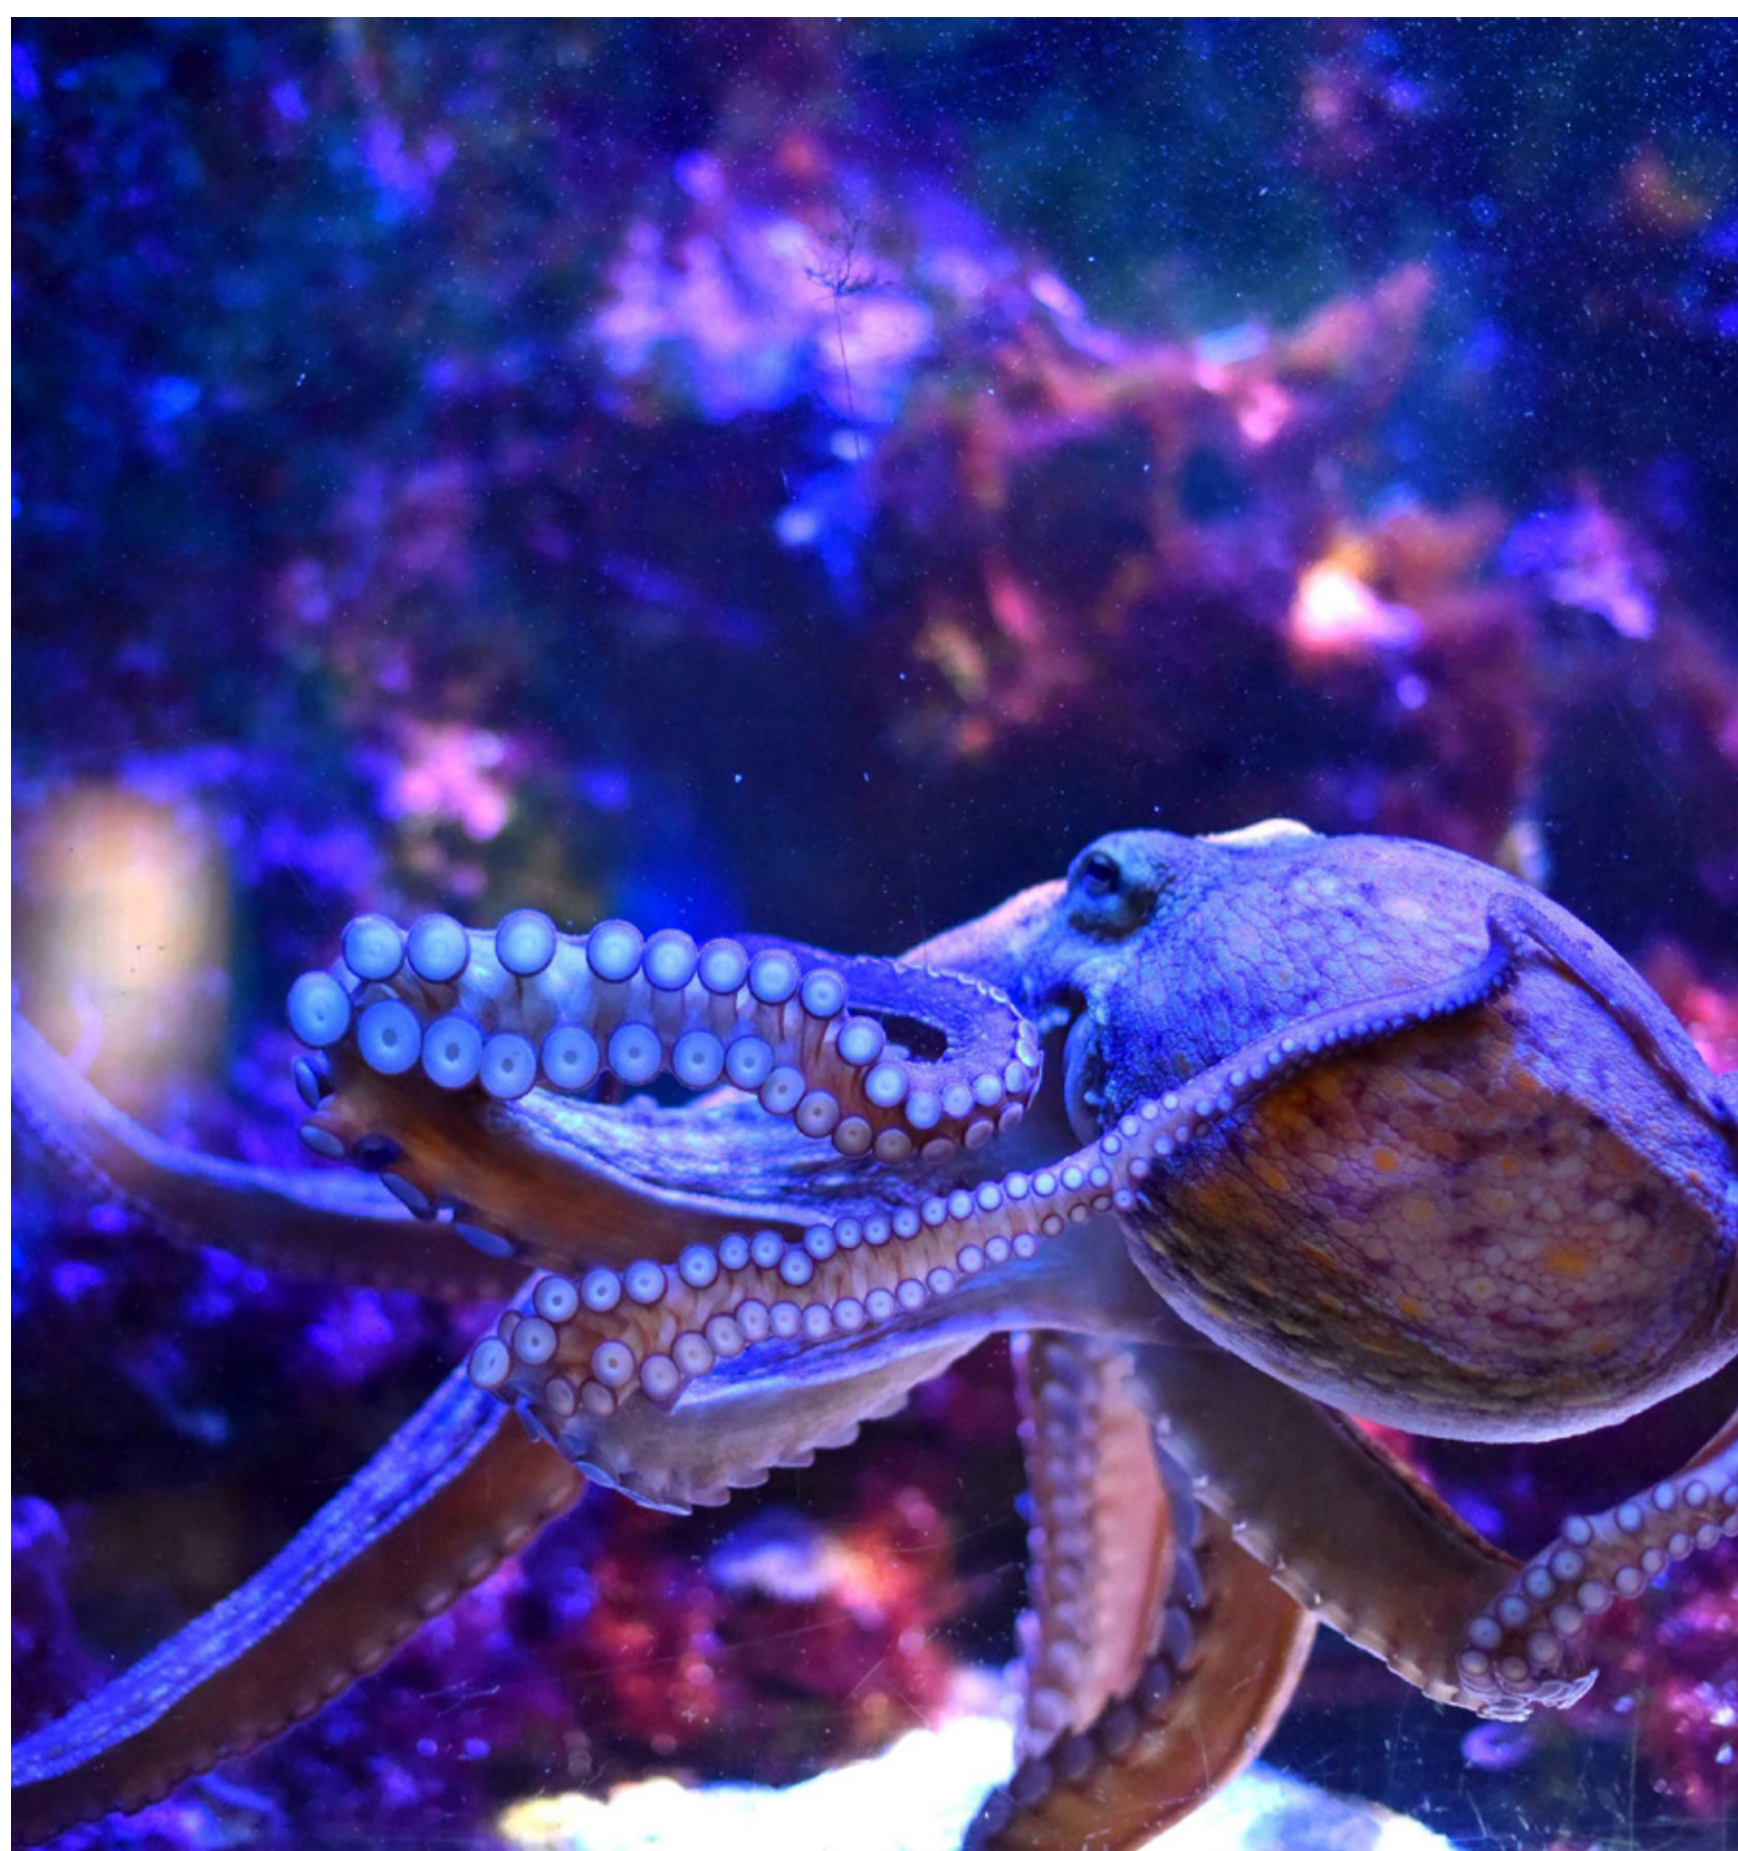

# MUSEUM OCEANOGRAPHIC

You cannot go to Monaco without going through this tour. You will see beautiful fish there! A breathtaking experience, a visit that never ends, discoveries in each new room. This aquarium-museum, rich in biodiversity and exhibitions, is a real favorite! You go at your own pace once inside take the time to contemplate them! The architecture of the building is sumptuous and the materials are really beautiful. Don't forget to go to the roof terrace where the view is absolutely splendid over Monaco and the sea, on the side of the cliff! For families with children, the visit can be done entirely in strollers.

**OUR OPINION RIVIERA LOISIRS**

# Discovery of the marine world

Discover the life of our blue planet through the reproduction of 4 ecosystems. At the Shark Lagoon, live face to face with these giants of the sea thanks to the 6-meter high panoramic pool. Observe the beauties of our coastline in the Mediterranean Basin. Admire the most colorful and active ecosystems in the Tropical Sea Basin. In a nocturnal atmosphere, explore the Fluorescent Coral Basin.

# Understand the secrets of our oceans!

Explore the fun and technological area "Monaco & L'Océan", in the footsteps of the Princes of Monaco. Become an explorer, discover unusual collections, admire giant skeletons. A veritable temple dedicated to the sea, the Museum is made up of 3 spaces:

- Monaco and the ocean
- Oceanomania
- The whale room

# The sea turtle care center

The Oceanographic Museum is also a care center for marine species and a refuge for species in difficulty. Check out the “Turtle Odyssey” pool, where turtles are cared for and are about to be released.

The museum also offers you the possibility of sponsoring a fish.

## The activities and Museum events

Make your visit even more original by taking part in activities. Embark on a space-time journey aboard the Princess Alice II during an Escape Game. Thanks to a virtual reality helmet, watch two films and meet the most mythical species of oceans. Touch starfish and other species in the touch pool. Internships to discover the marine world are offered to children.

# Exhibition 2023

## Polar mission

Go on a "POLAR MISSION" to discover the North Pole and the South Pole, the wildlife they shelter, the peoples who live there and the men who explore them. Objects and documents, digital content and immersive devices come together and complement each other for a 360° experience. The great journey can begin!
