# THE EXOTIC GARDEN

EZE

## The most beautiful view

Nestled within the ruins of a medieval fortress, the exotic garden of Eze offers breathtaking panoramic views of the French Riviera. Perched at an altitude of 429 meters atop the village of Eze, it provides a sweeping vista stretching from Mont Esterel to the Gulf of Saint-Tropez. The garden's unique feature is its location on the rocky slope.

# EXOTIC GARDEN D'EZE

A must-see destination for admiring the most beautiful panorama of the French Riviera, the Exotic Garden of Eze is located in one of the most beautiful hilltop villages in France. A remarkable garden with its collection of plants, it presents itself as a veritable open-air museum, complete with sculptures by Jean-Philippe Richard.

# Plants

## from all over the world

On the south-facing slope of the garden, cactus and succulent plants line the paths: agaves, cacti, aloes, euphorbias and other crassulas.

On the shaded and damp north-facing slope, Mediterranean-type plants adapted to shade have been planted.

## A museum open air

The 14 statues by the artist Jean-Philippe Richard make the garden an open-air museum.

During your visit, you will discover its earth maidens. Chloé, Justine, Charlotte, Anaïs, Rose des vents, Barbara... are suspended between heaven and earth.
