THE DOMAIN FROM THE CAVE

— SAINT-CEZAIRE-SUR-SIAGNE —

Cave Guided tour

Explore the depths of the earth to over 40 meters. Explore more than 200 meters of underground galleries. Observe exceptional concretions more than 6 million years old. With a passionate guide, you will go from room to room, and discover the fabulous spectacle of underground riches.

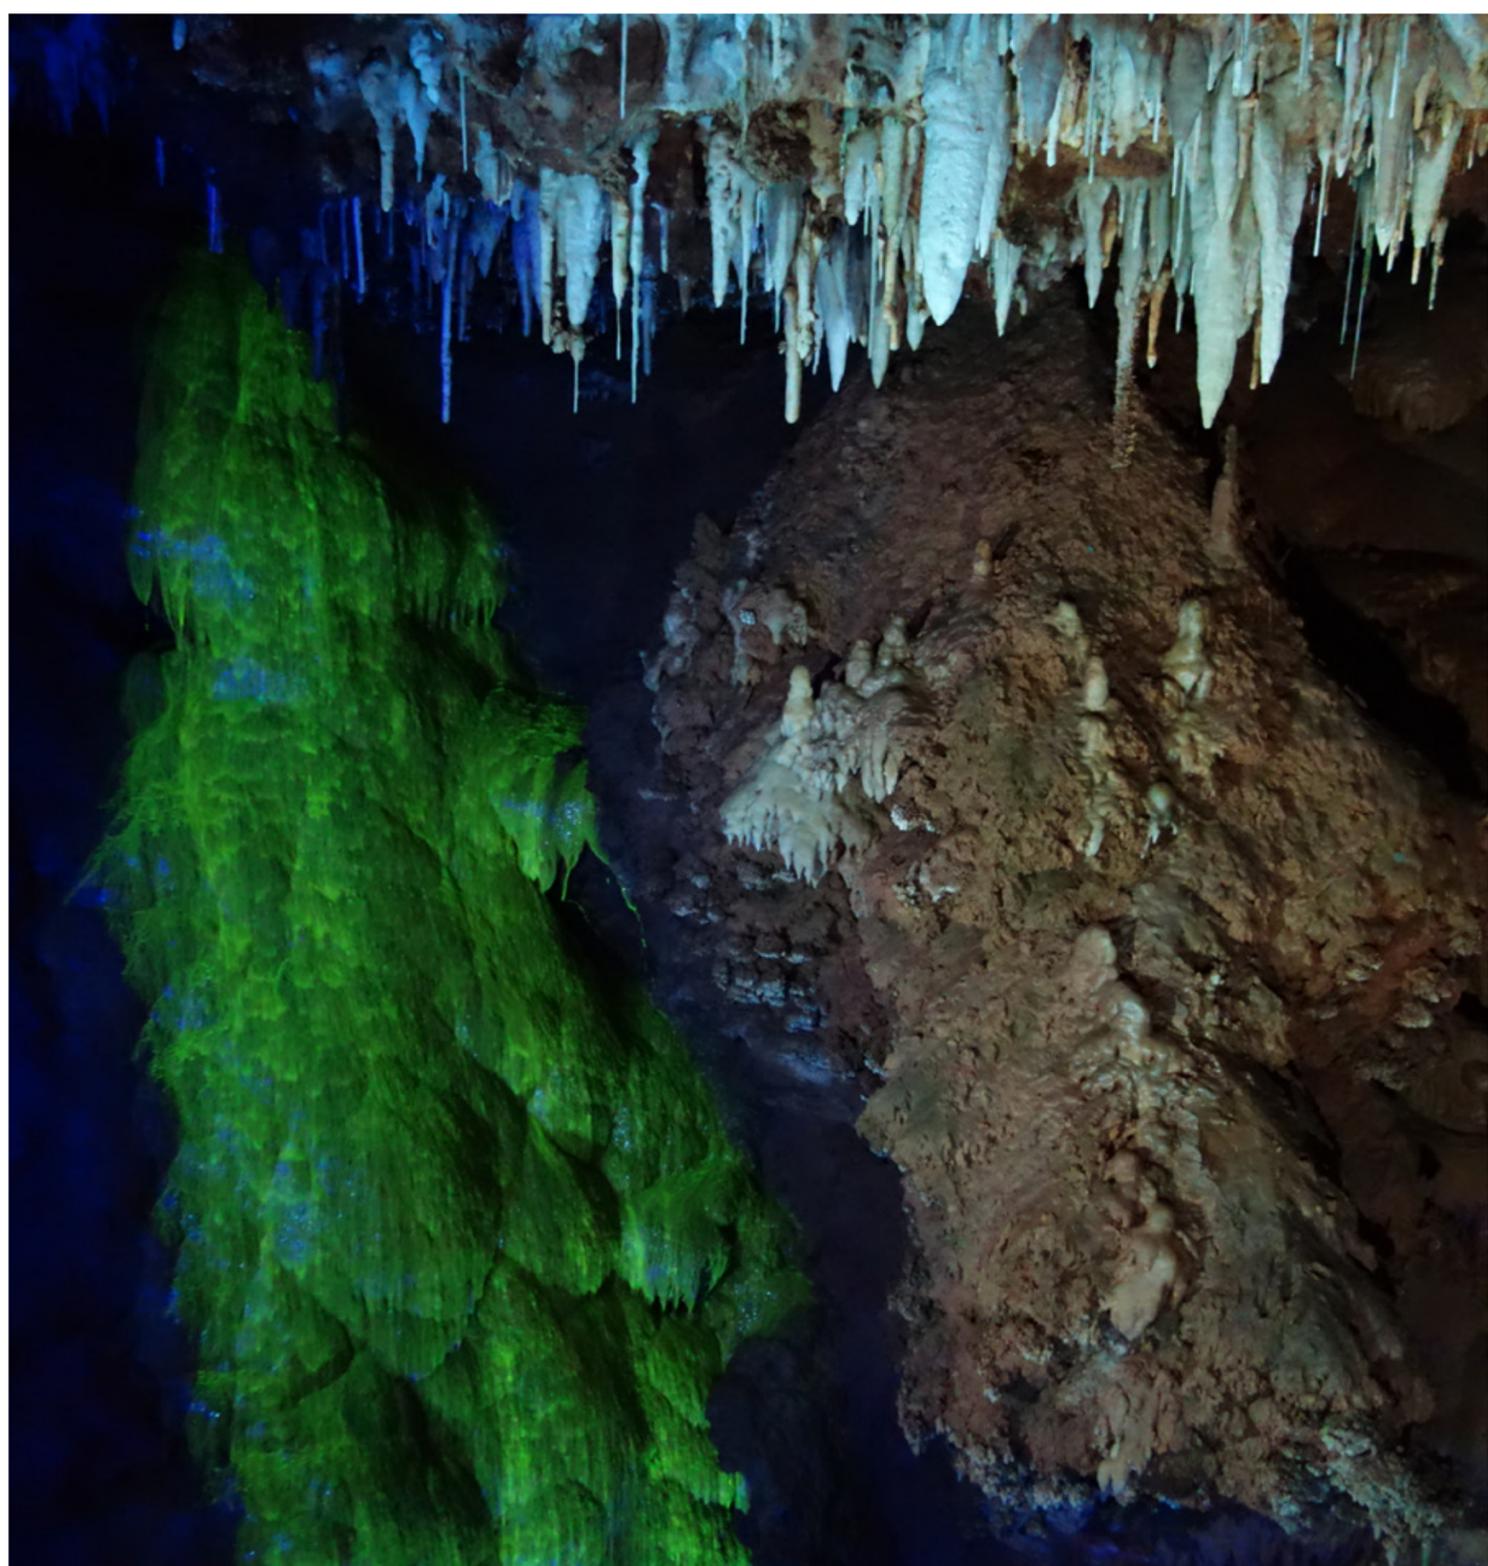

THE DOMAIN FROM THE CAVE

Between the visit to the cave, the tree climbing course and mountain bike rides, or the mini circuit of electric quads for children... you have the choice! In addition, on site, the Aragonite restaurant and the La Belette food truck invite you to have lunch in the heart of nature. The domain of the cave is the ideal place to spend a day with family or friends.

OUR OPINION RIVIERA LOISIRS

The waterfall fluorescent

Unique in France, this fluorescent waterfall with a height of 17 meters was created and carried out by Eric L., the speleologist of the Cave. Fluorescein is a dye used in speleology and geology to determine the path of water and underground rivers.

have fun with Tree climbing park

This park has 7 acrobatic courses of different levels of difficulty to test your whole family's agility and sense of balance!

The tree climbing courses are embellished with workshops such as: zip lines, nets, tubes...

Discover the trails on foot or by electric mountain bike

The area also offers a discovery activity of about 40 minutes. It is an educational and fun mini hike to do with family or friends. Adults and children participate together, but approach it differently:

- discovery trail, from 16 years old.
- orienteering, for children.

For mountain bike fans, you can rent electric mountain bikes and discover the trails of the pre-Alps, this preserved regional natural park.
