## THE ESTATE FROM THE CAVE

— SAINT-CÉZAIRE-SUR-SIAGNE —

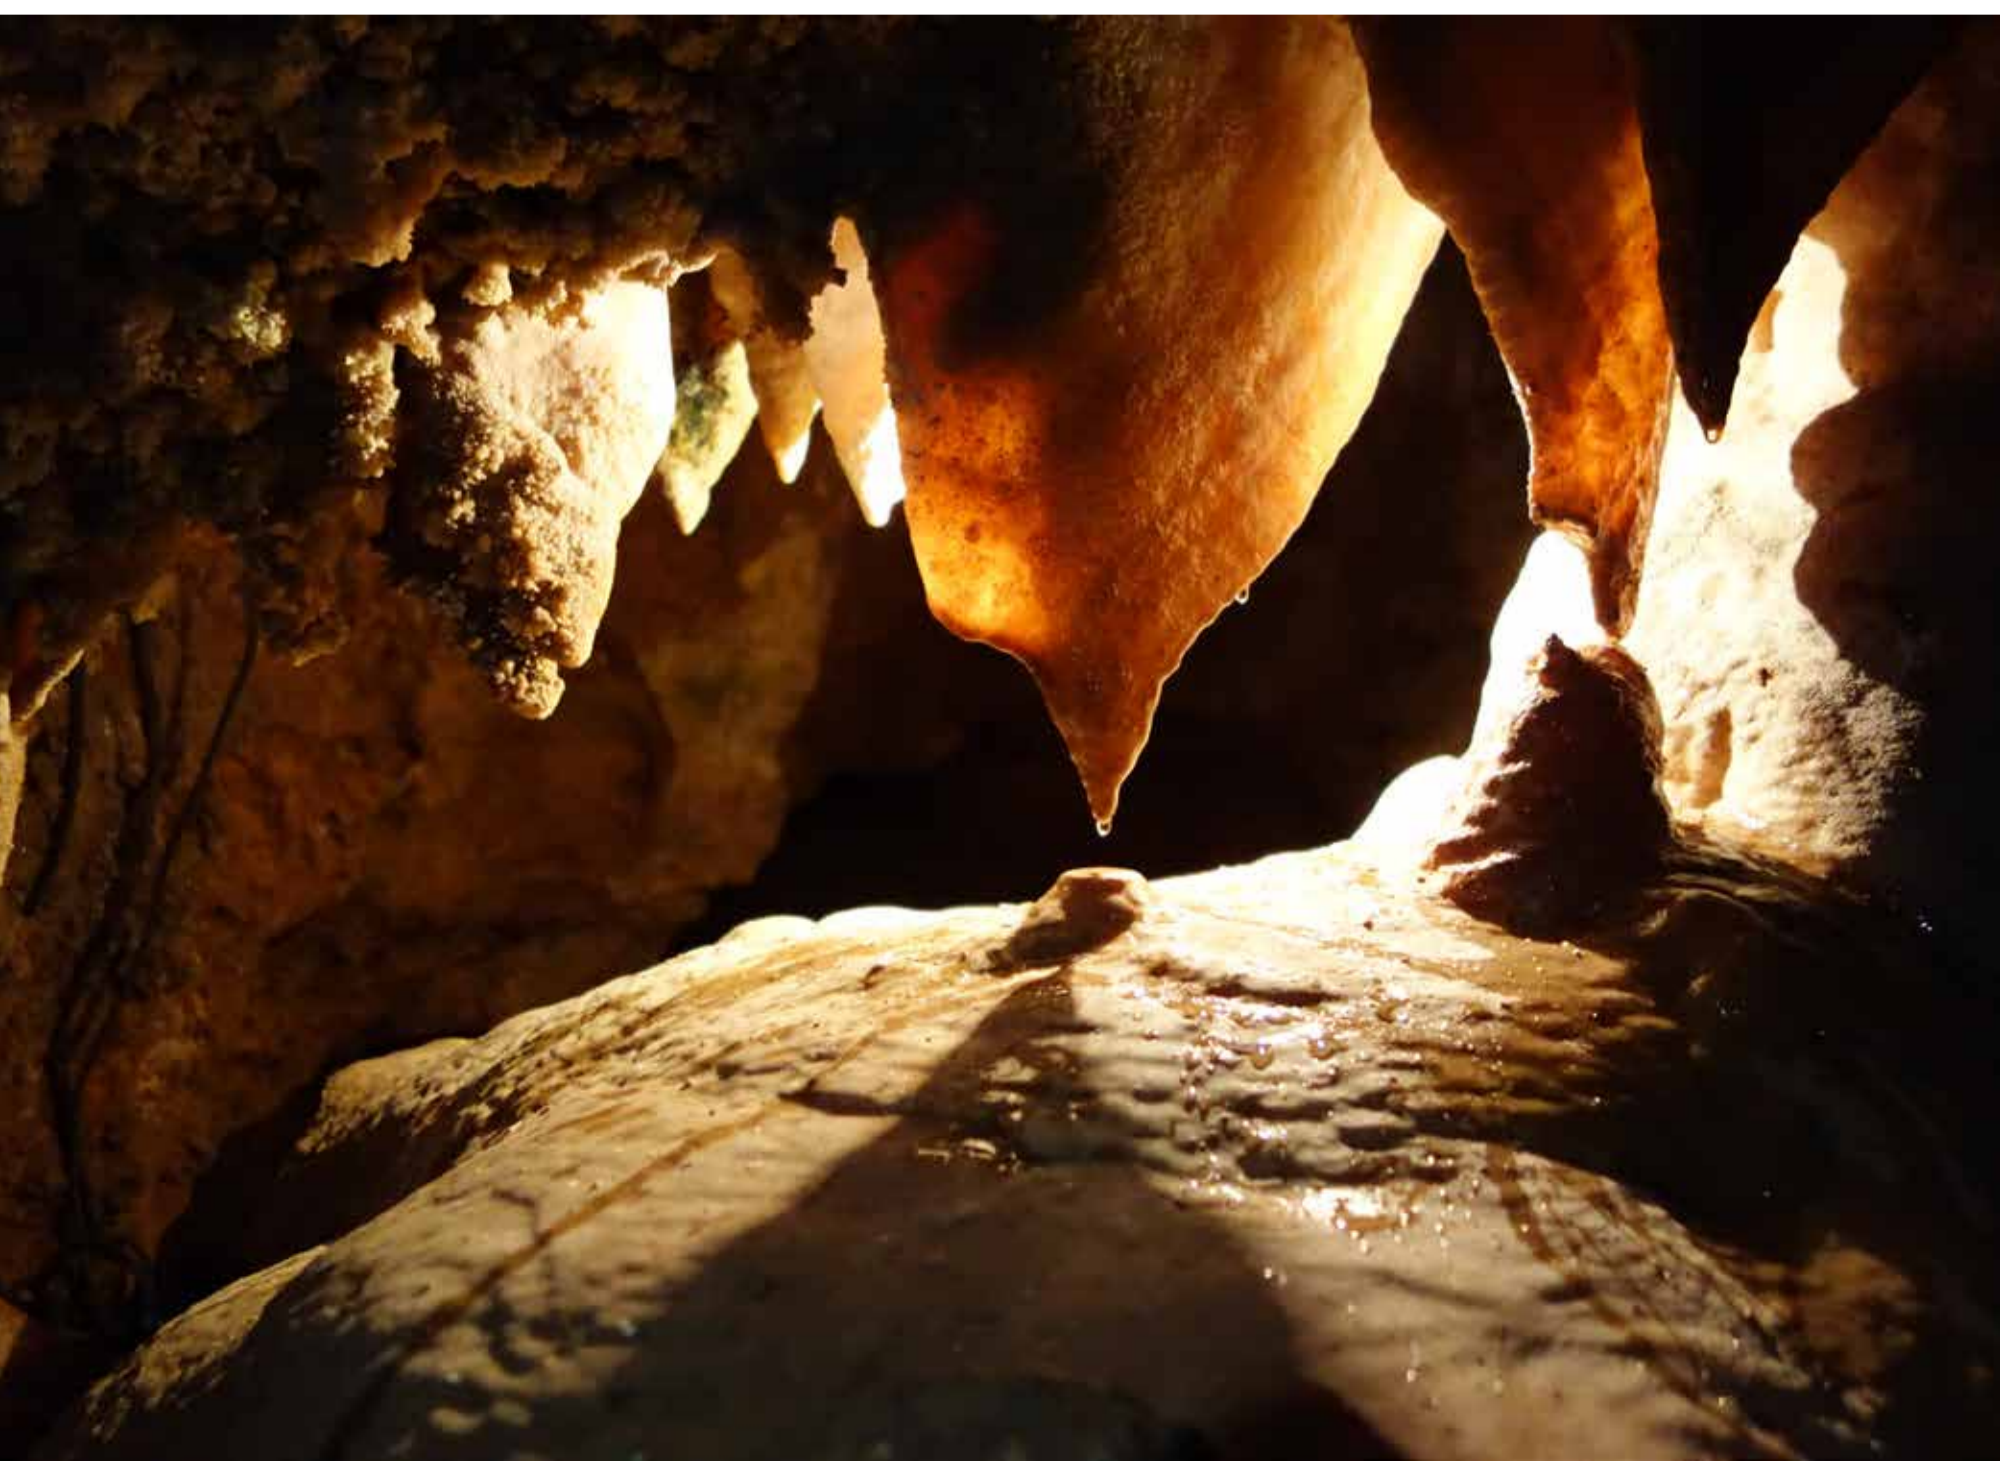

# The cave

## Guided tour

Explore the depths of the earth, more than 40 meters underground. Journey through over 200 meters of subterranean galleries. Observe exceptional concretions over 6 million years old. With a passionate guide, you will go from chamber to chamber, discovering the fabulous spectacle of subterranean riches.

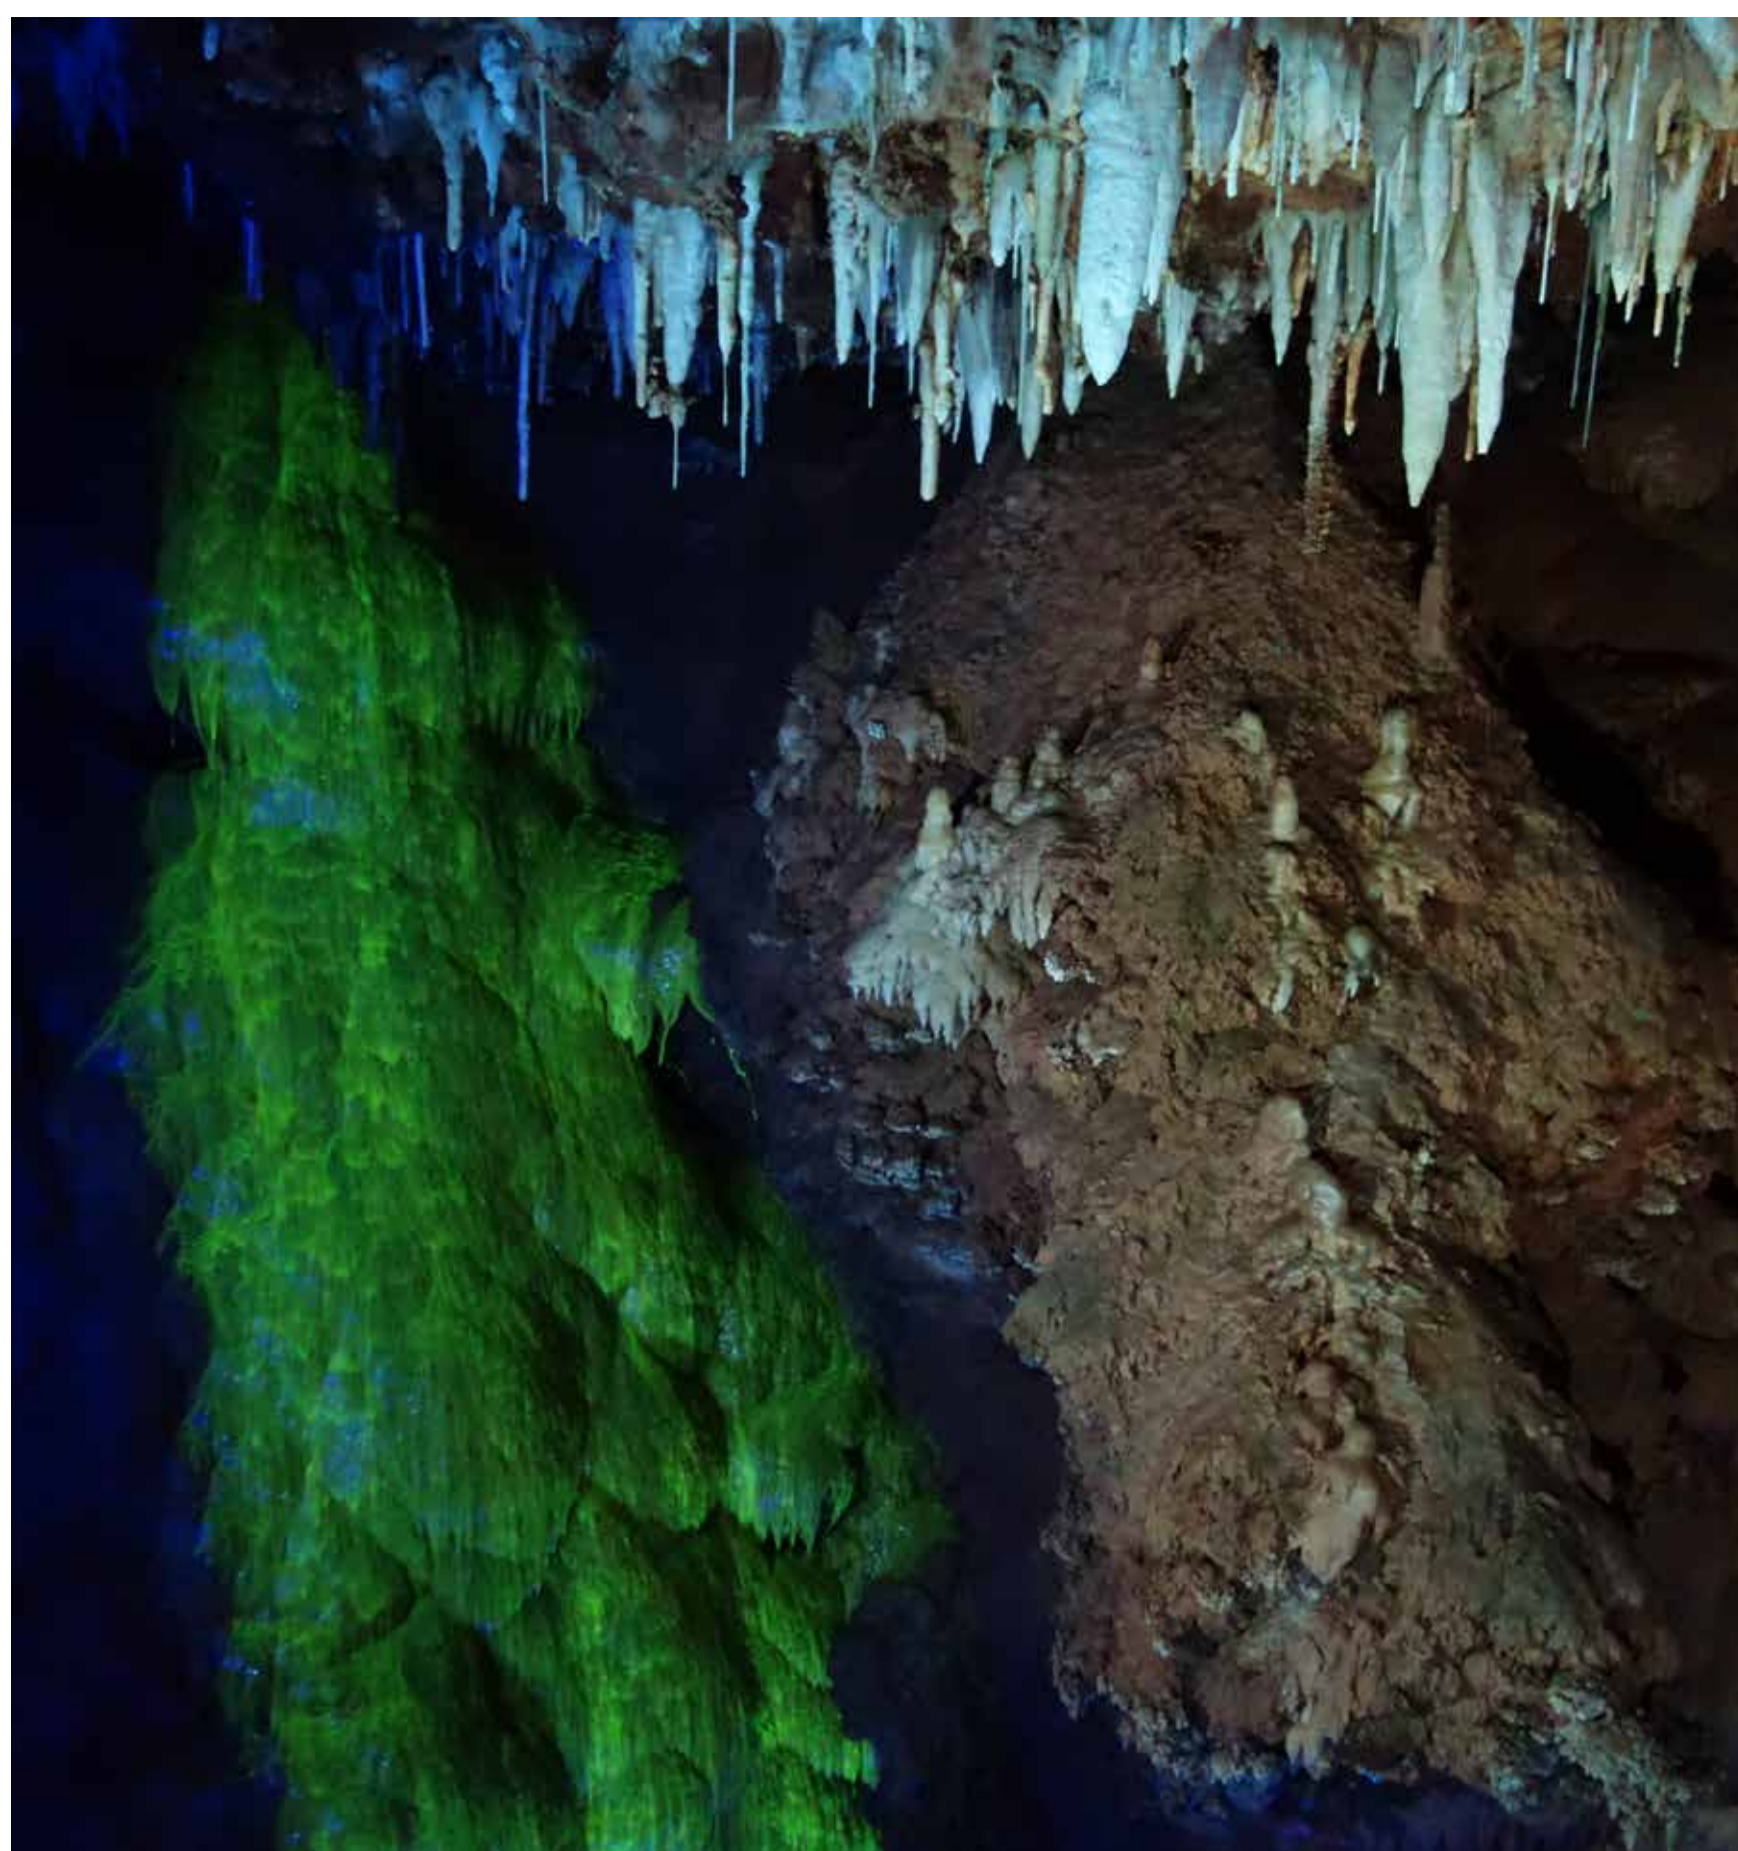

# THE ESTATE FROM THE CAVE

Between visiting the cave, the treetop adventure course, mountain biking, or the mini electric quad bike circuit for children... the choice is yours! Plus, the Aragonite restaurant and the La Belette food truck invite you to enjoy lunch surrounded by nature. The cave grounds are the perfect place to spend a day with family or friends.

## The waterfall fluorescent

Unique in France, this fluorescent waterfall of a  
The 17-meter-high mural was created and  
executed by Eric L., the cave's speleologist.  
Fluorescein is a dye used in speleology and geology  
to determine the path of underground water and  
rivers.

# Have fun with Treetop Adventure Park

This park features 7 treetop adventure courses

Different levels of difficulty to test the agility and sense of balance of your whole family!

The treetop adventure courses are enhanced with activities such as: zip lines, nets, tubes...
