MUSEUM OCEANOGRAPHIC

MONACO

Institute Oceanographic

At the Oceanographic Museum, learn about the history of the oceans, understand, and protect our marine environment. You can even come face-to-face with a shark or look into the eyes of a sea turtle. Get up close to the most majestic marine species. Enjoy a total immersion in the marine world for two hours in a fun, interactive, and educational way.

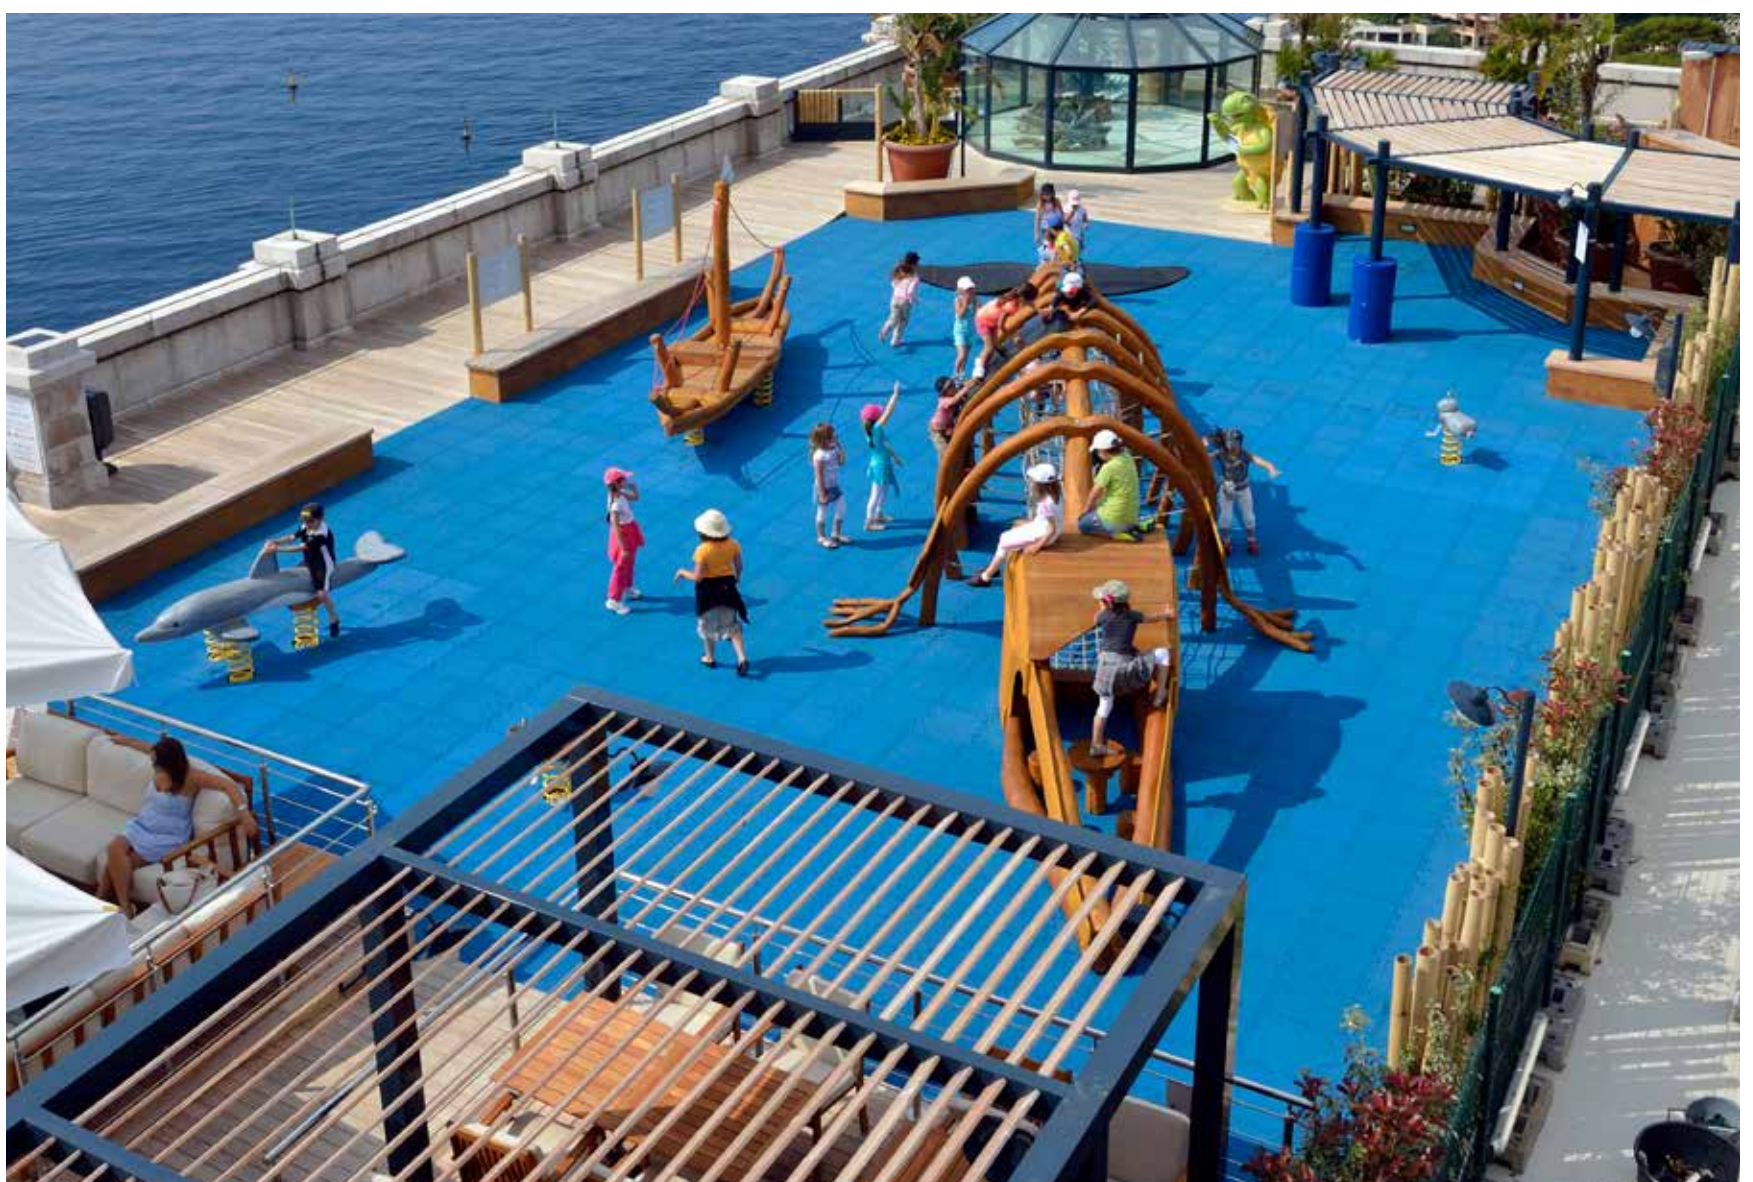

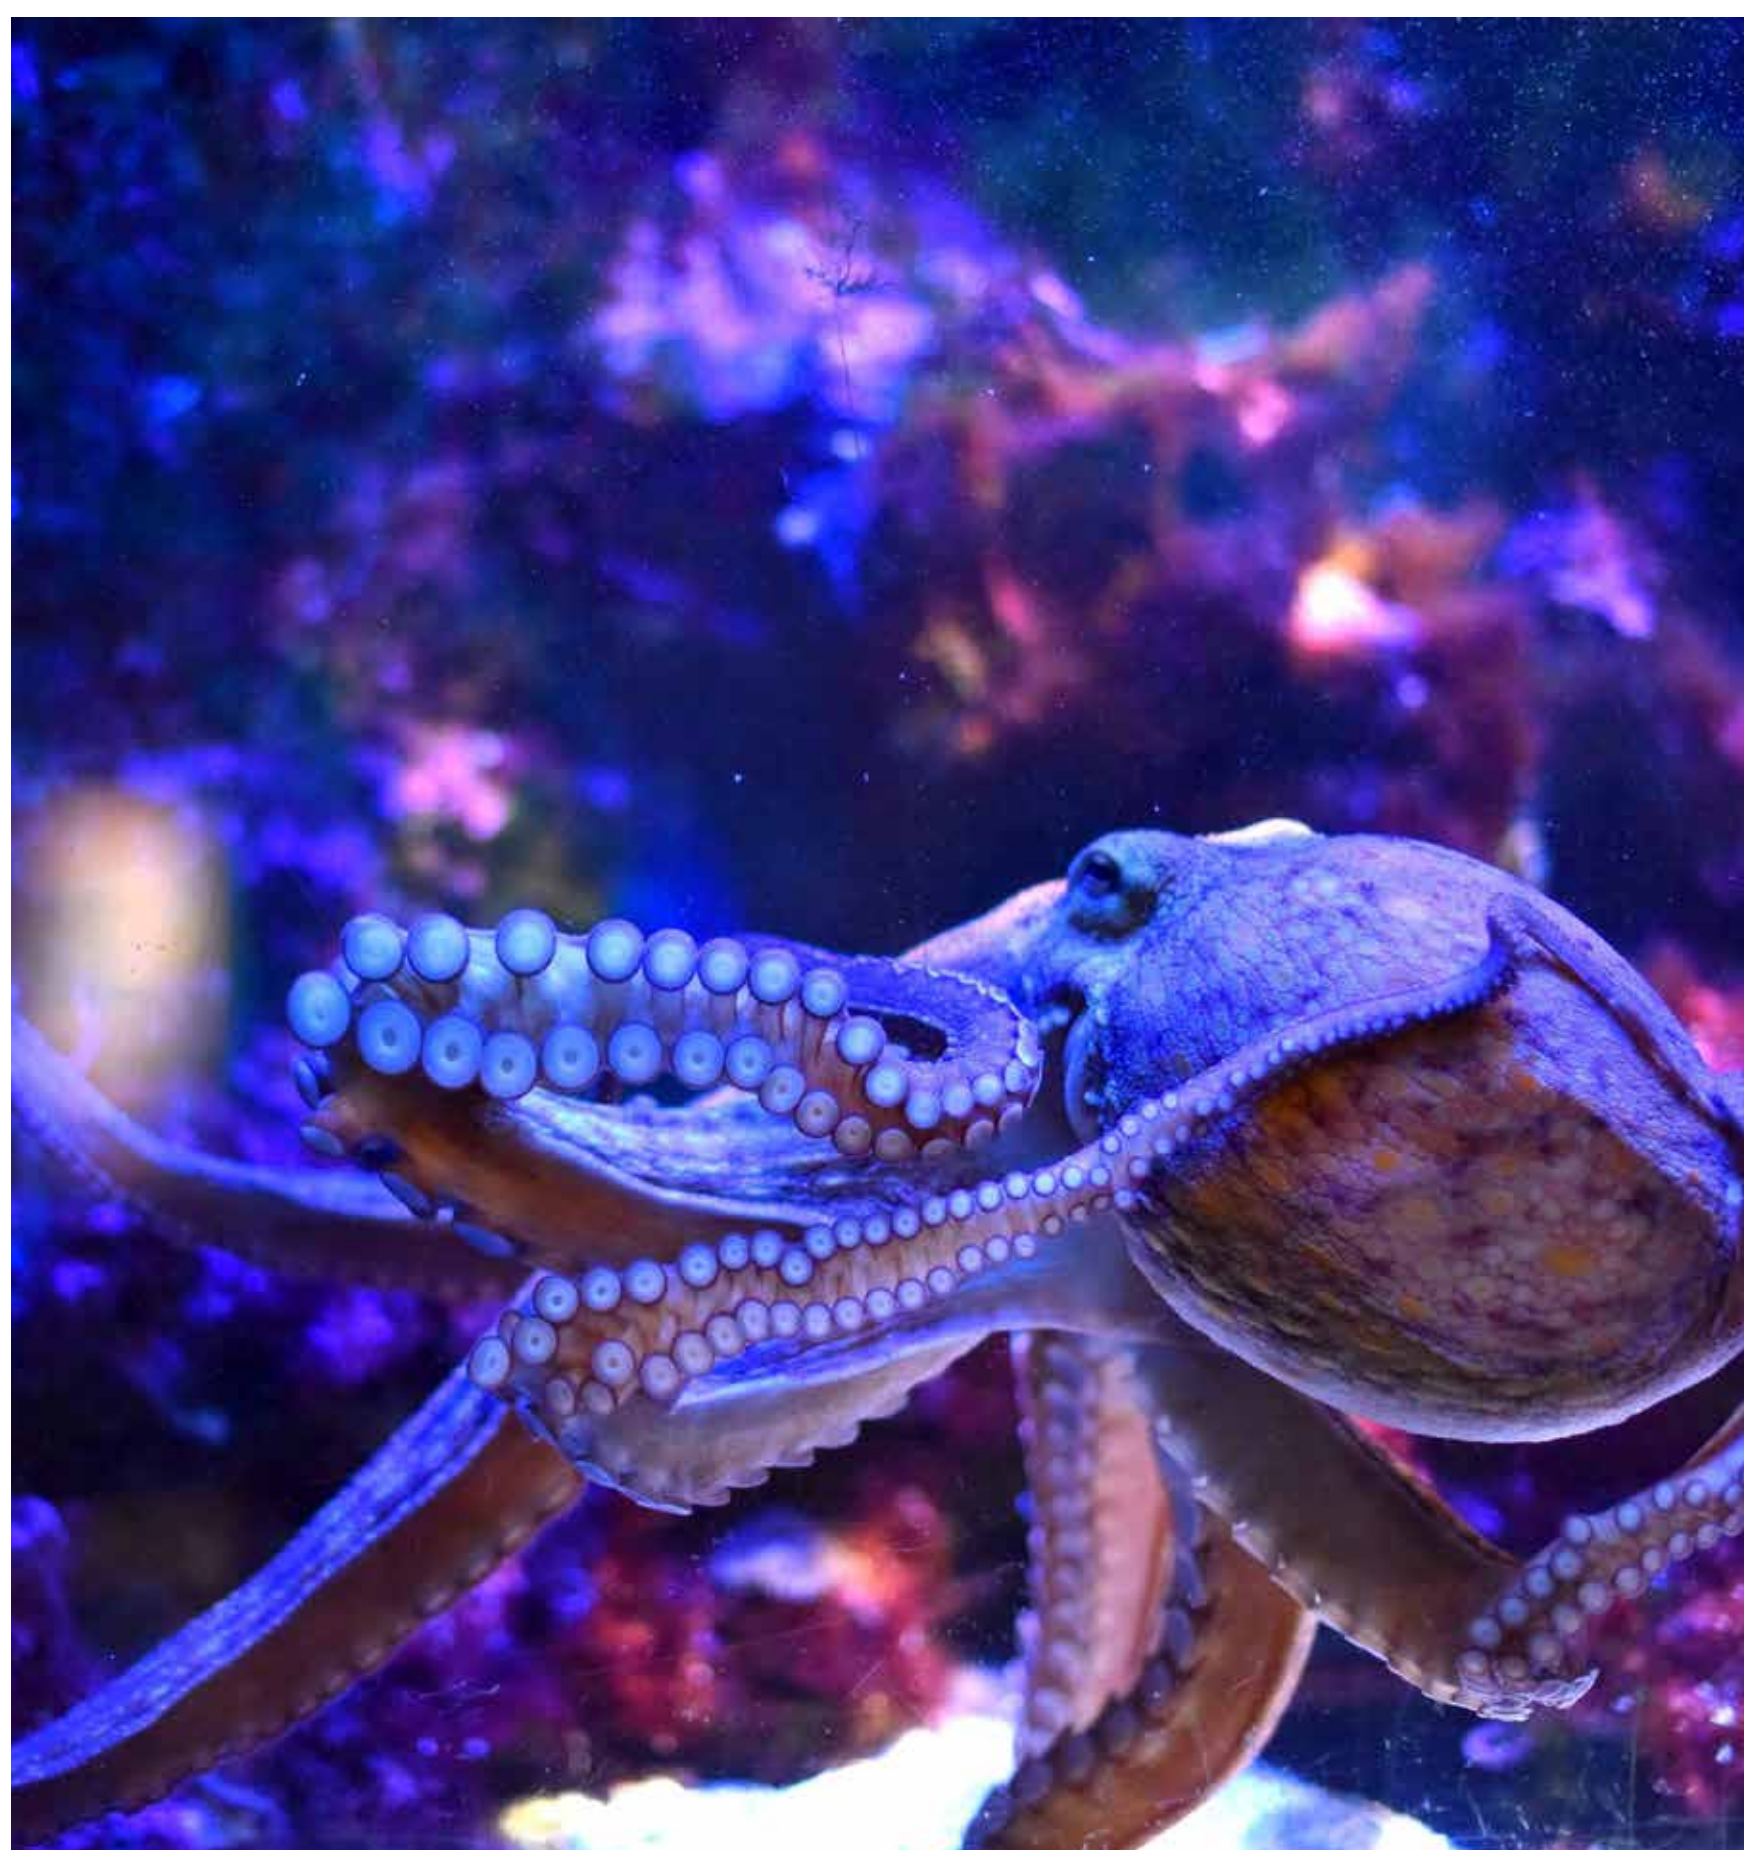

MUSEUM OCEANOGRAPHIC

You can't go to Monaco without visiting this aquarium. You'll see magnificent fish! A breathtaking experience, a visit that never ends, with new discoveries in every room. This aquarium-museum, rich in biodiversity and exhibits, is a real gem! Once inside, you can go at your own pace and take the time to admire them! The building's architecture is sumptuous, and the materials are truly beautiful. Don't forget to go up to the rooftop terrace, where the view of Monaco and the sea, perched on the cliffside, is absolutely splendid! For families with children, the visit is perfectly accessible with a stroller.

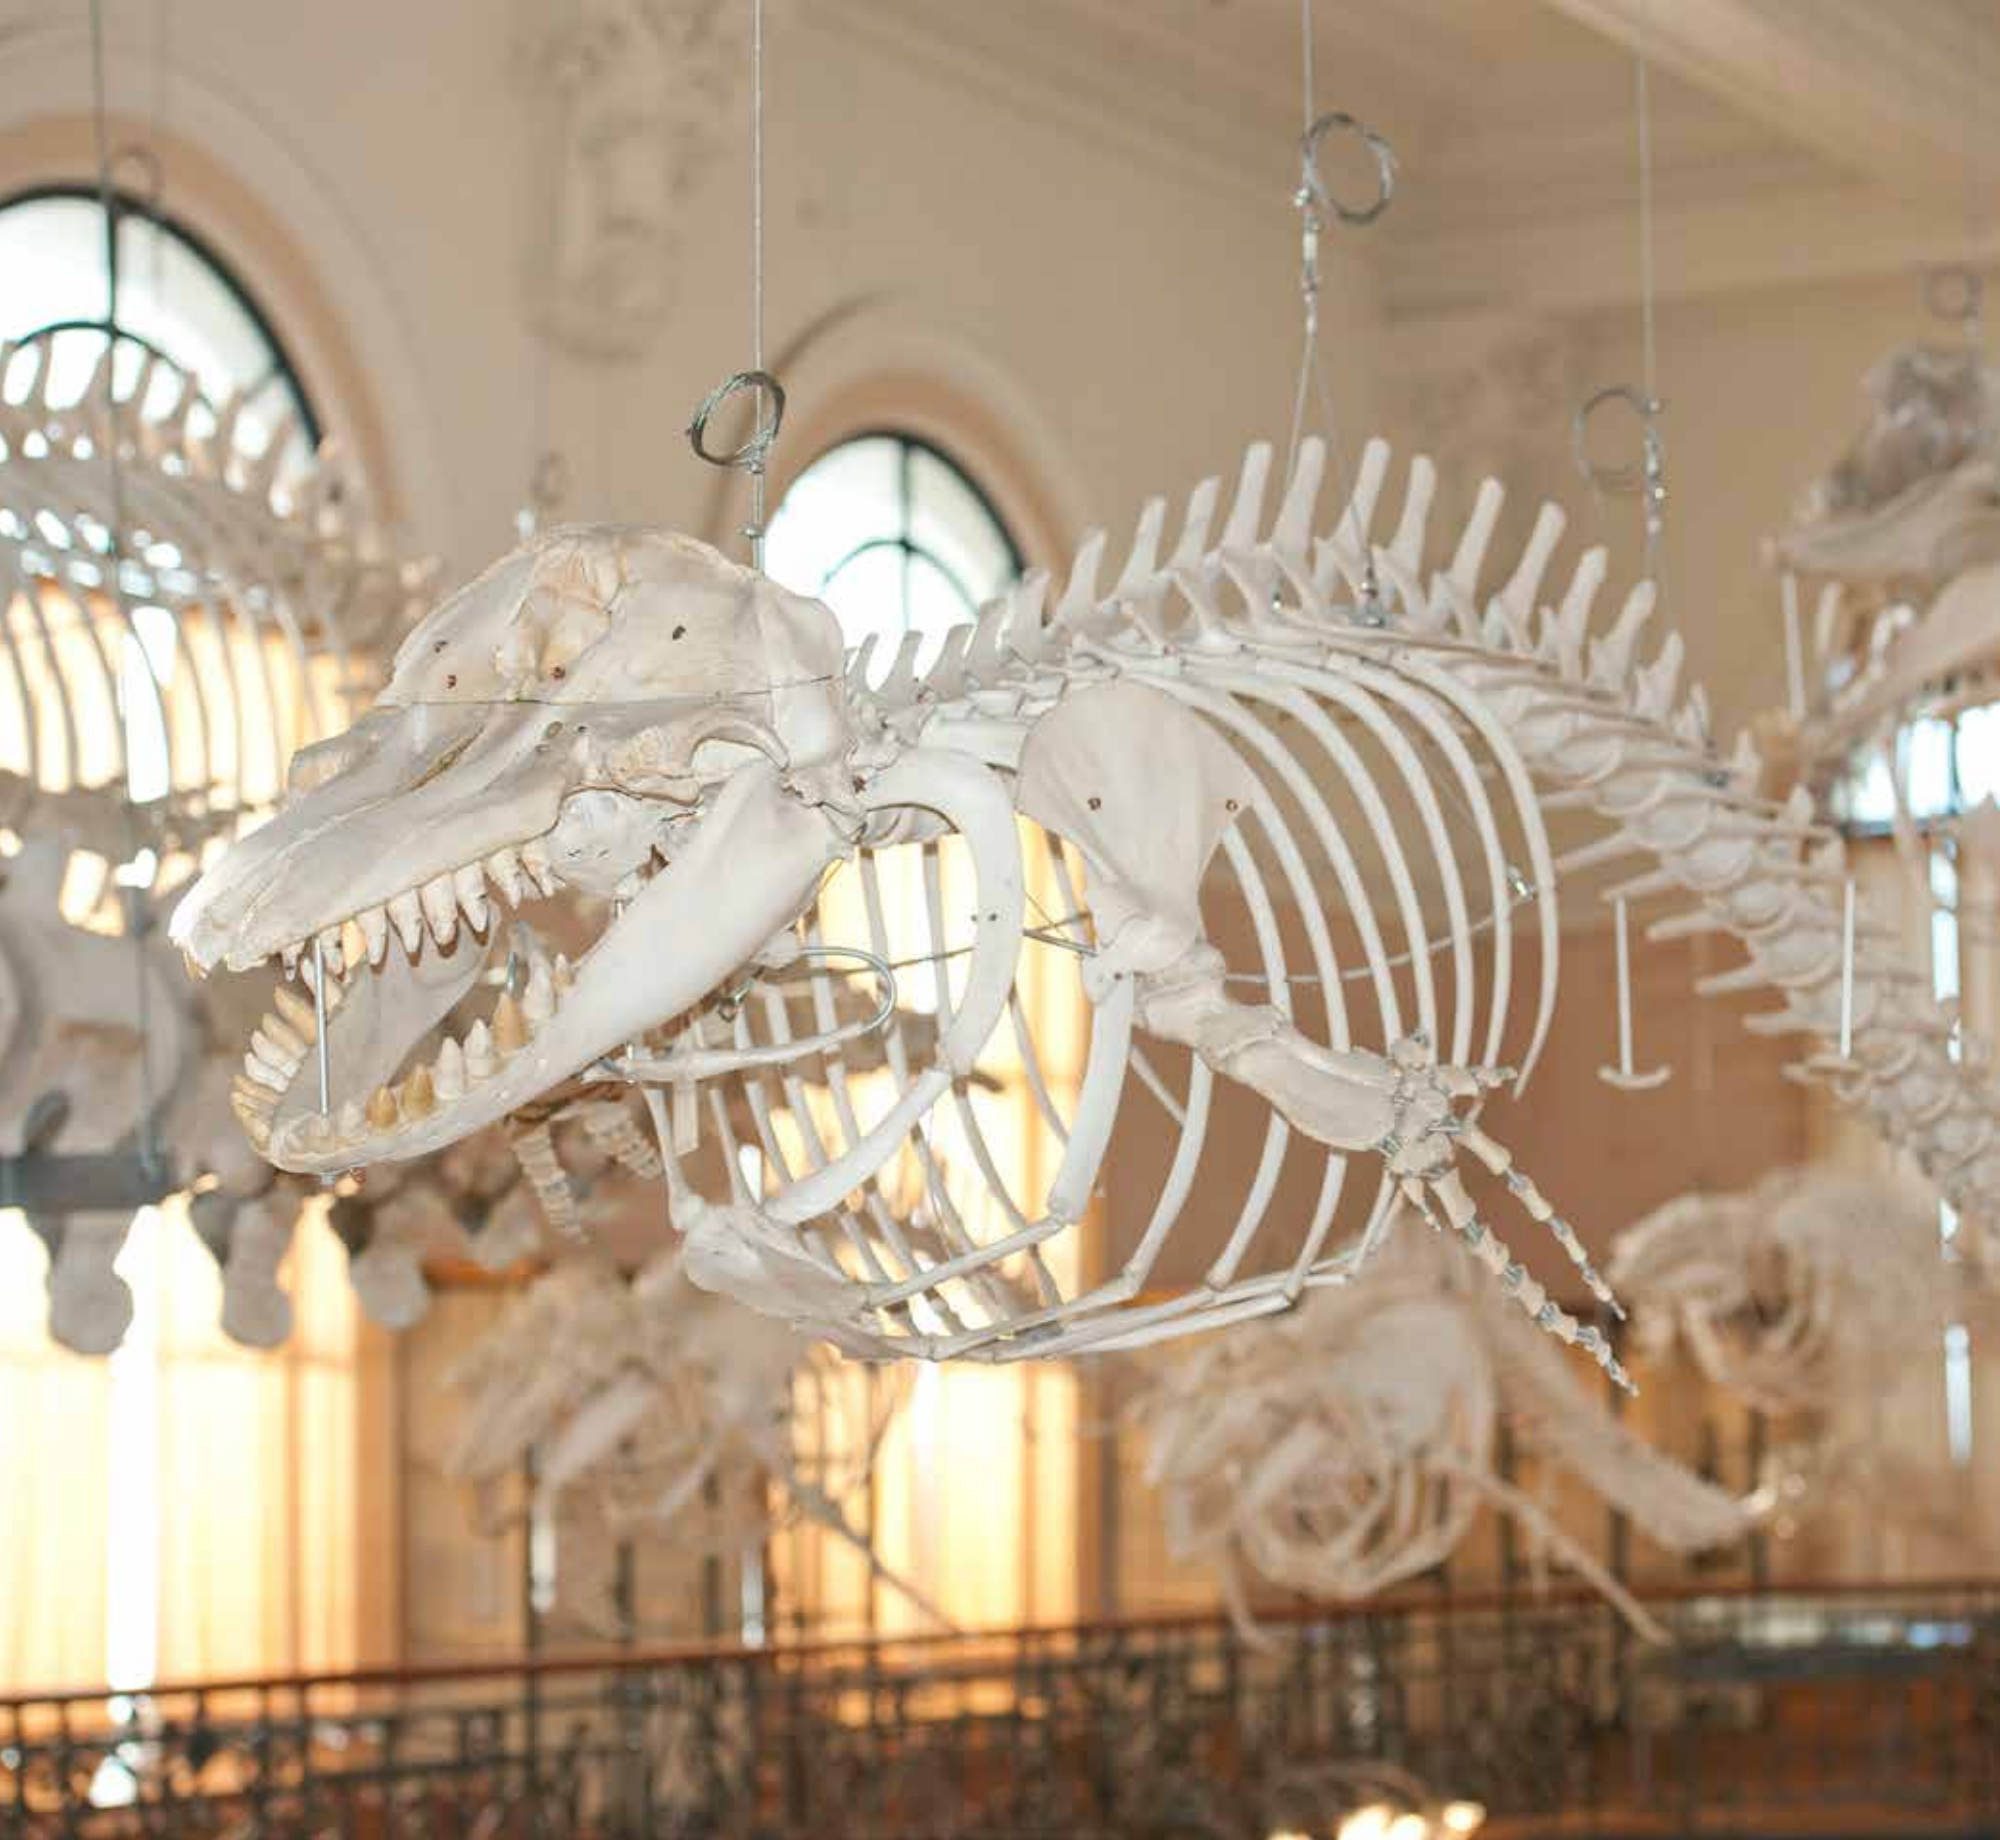

OUR OPINION RIVIERA LOISIRS

Discovery of the marine world

Discover life on our blue planet through the
Reproduction of 4 ecosystems. At the Shark Lagoon,
experience a face-to-face encounter with these
giants of the sea thanks to the 6-meter-high
panoramic pool. Observe the beauty of our coastline
in the Mediterranean Pool. Admire the most colorful
and active ecosystems in the Tropical Seas Pool.

Understanding the secrets of our oceans!

Explore the fun and technologically advanced "Monaco & The Ocean" space, following in the footsteps of the Princes of Monaco. Become an explorer, discover unusual collections, and admire giant skeletons. A true temple dedicated to the sea, the Museum comprises three areas:

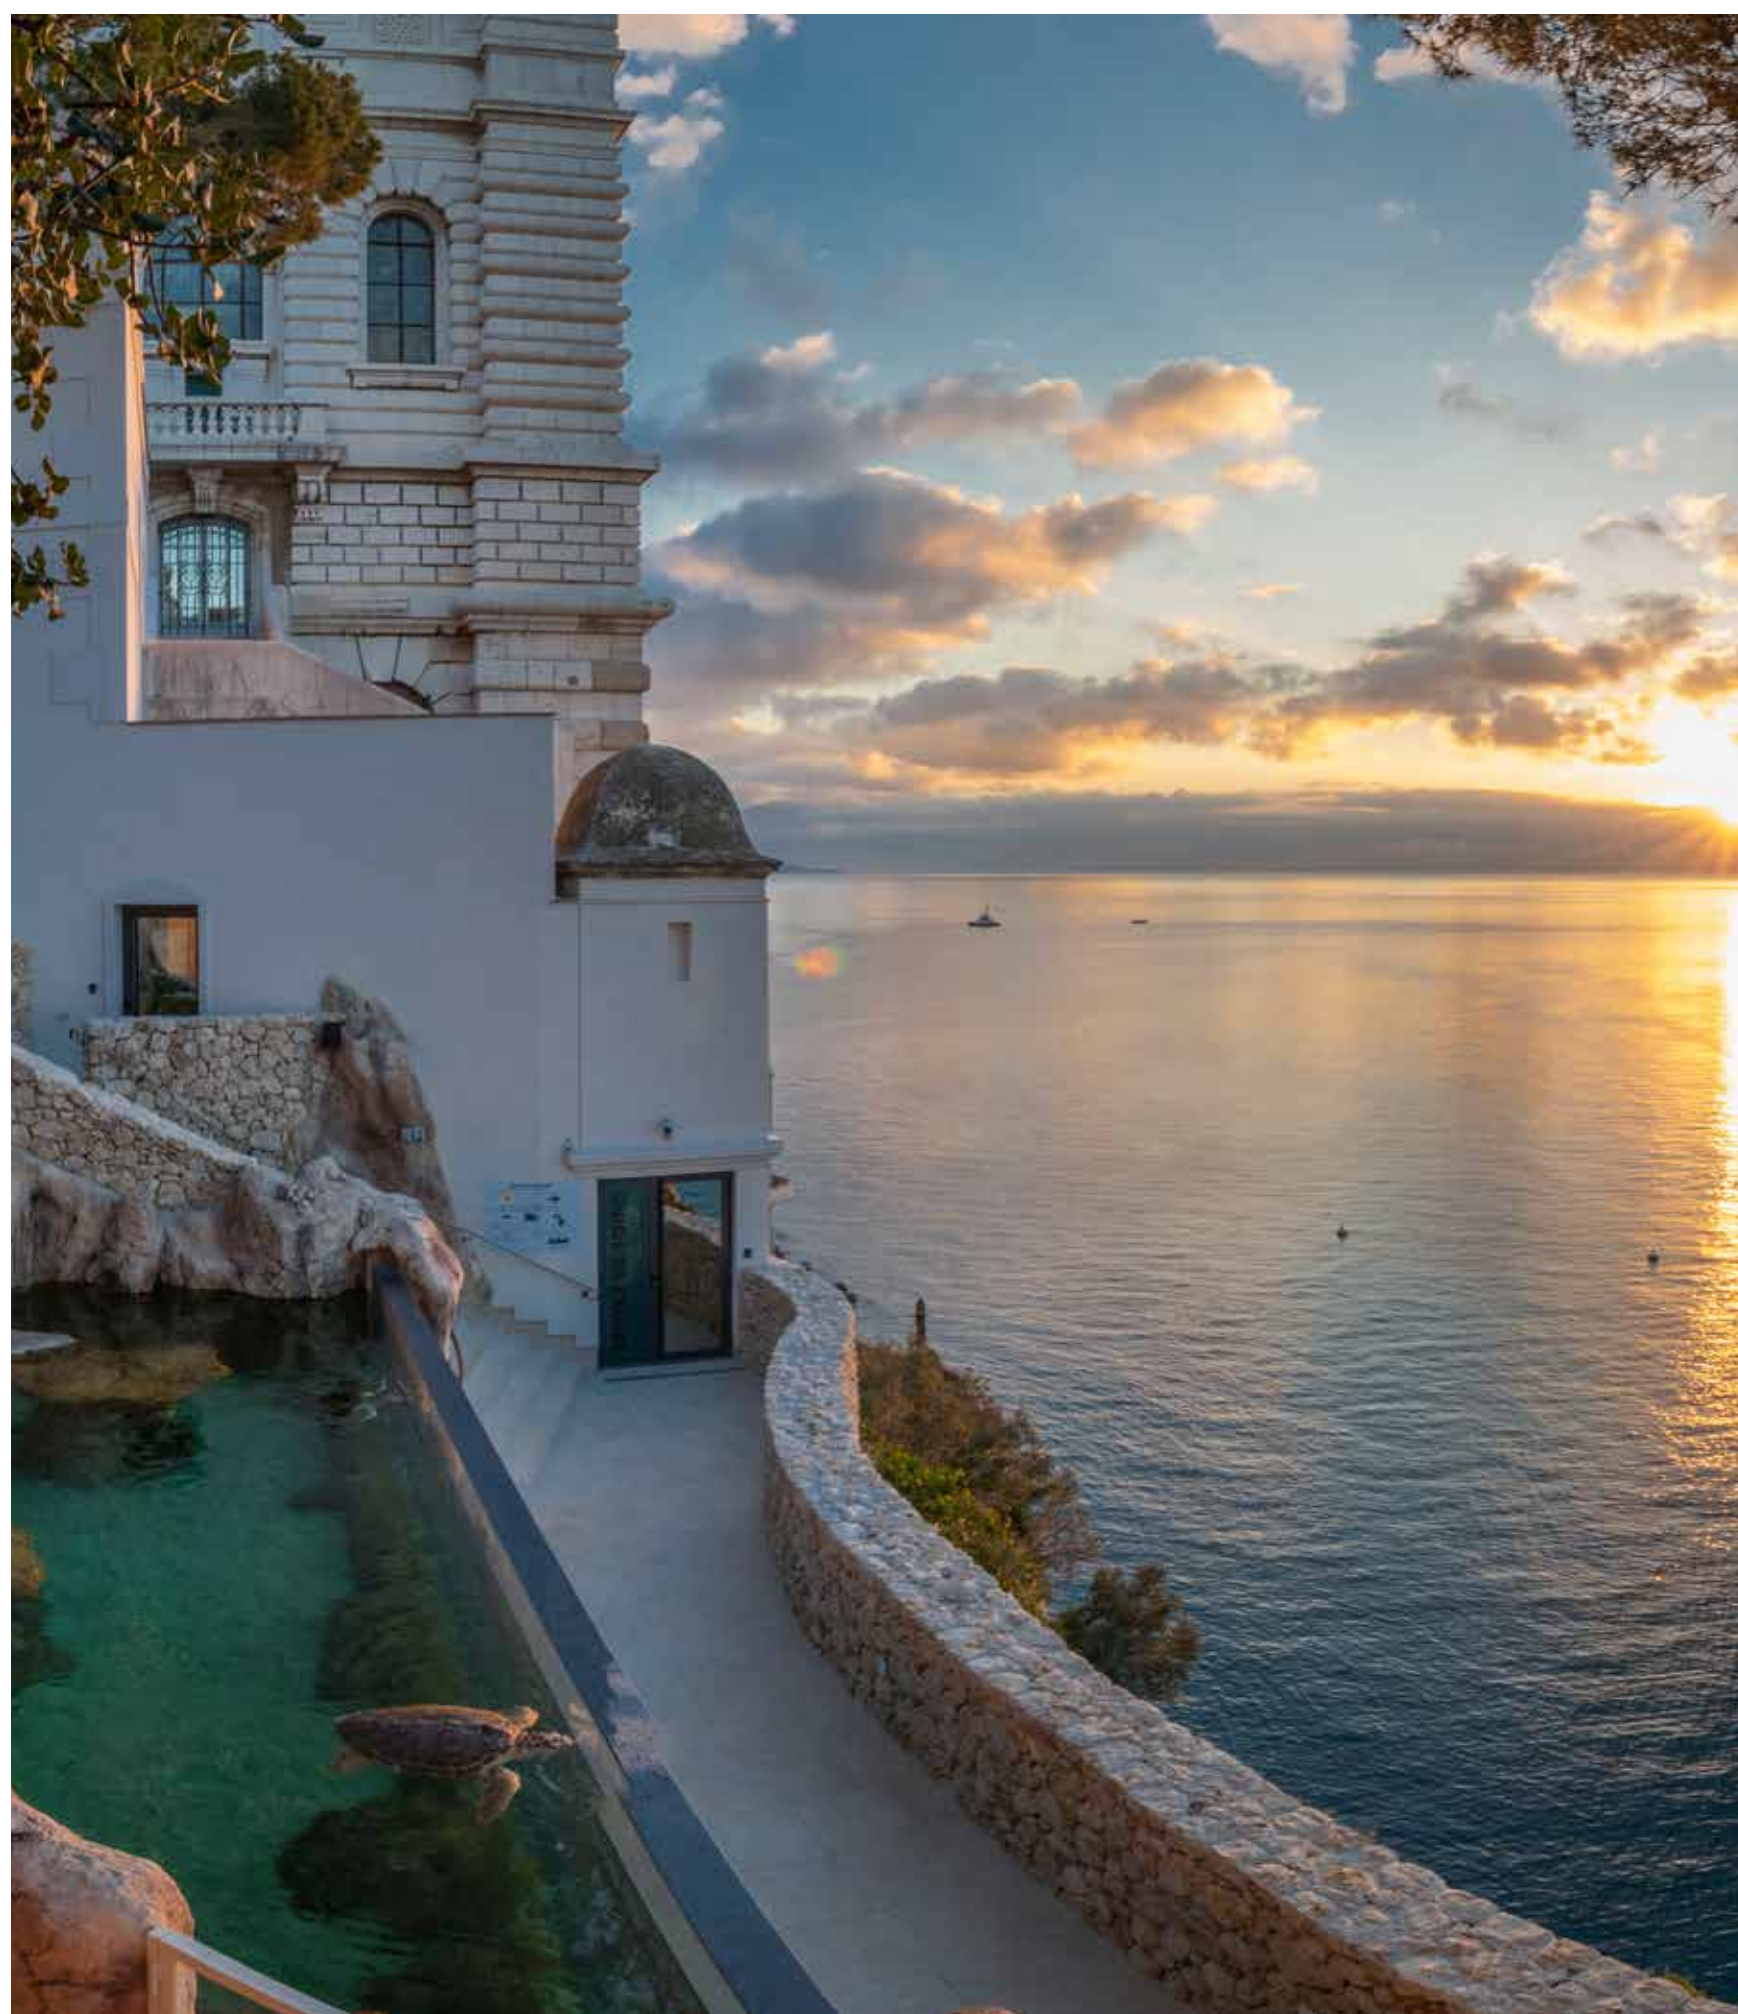

- Monaco and the ocean
- Oceanomania
- The Whale Room

The Sea Turtle Care Center

The Oceanographic Museum is also a marine species care center and a refuge for endangered species. Discover the "Turtle Odyssey" tank, where turtles are cared for and are about to be released.

The museum also offers you the opportunity to sponsor a fish.

The activities and Museum activities

Make your visit even more unique by participating in our activities. Embark on a journey through space and time aboard the Princess Alice II during an Escape Game. Using a virtual reality headset, watch two films and encounter the most mythical species of... Oceans. Touch the starfish and other species in the touch tank. Marine discovery workshops are offered to children.

Exposure

Mediterranean 2050

In Oceano Monaco, travel alongside the Princes of Monaco, committed to protecting the Mediterranean and the Ocean. Embark on the "Pelagos Mission" to encounter cetaceans, where the futuristic vessel Oceano Odyssey will take you to 2050. Take on the challenges in My Oceano Med, an interactive space that engages young and old alike in taking action for the Ocean!
